## SOLUTIONS FOR OIL & GAS CONTRACTORS

**WE ARE PASSIONATE ABOUT PROTECTING OIL & GAS SERVICE CONTRACTORS. WE HAVE IMPLEMENTED BEST-IN-CLASS RISK MANAGEMENT AND INSURANCE PROGRAMS IN AN EFFICIENT AND EASY TO OPERATE MANNER.**

---

Box Insurance offers a deep understanding of the energy industry, a broad range of carriers to choose from and a team that specializes in reviewing MSA Insurance requirements to both get you on the job, and to protect your company while you are performing it. We review your MSAs to be certain that your insurance coverage will be in compliance with the requirements so you can get to work on the jobsite.

**We call that Experience 360° Protection<sup>SM</sup>**

## CLIENT TESTIMONIAL

"Box's knowledge of MSAs and ISNet World alone is a good reason to choose them. Their attention to detail and industry specific insurance knowledge is crucial in such a fast changing & complex industry."

**JOE LASSITER, CFO OF DD FLUIDS**

## BOX SERVICES

### BOX GETS YOU ON THE JOB

**MSA Review:** Our team has reviewed hundreds of MSAs and are experts in designing insurance programs that comply with almost all MSAs. We will also work directly with the risk manager for the operator to resolve all insurance differences.

**ISNet World Experts:** We work directly with ISNet world to ensure you do not get bogged down with the insurance compliance portion of being an approved contractor.

### TOOLS FOR EASE OF USE

**Web-Based Tools:** We provide the ability to issue a Certificate of Insurance, or pull up an Auto ID card in real time on your mobile device or a desktop.

**Cash Flow Control Tools:** Say goodbye to nasty audits with monthly-reporting-based billing programs for General Liability and Workers Compensation policies.

Schedule your complimentary discovery meeting with a Box Insurance Agent today by visiting us at [www.boxinsurance.com](http://www.boxinsurance.com).
